

Project Update

DATE: February 3, 2025

Thank you for signing up to receive these project email updates. As the project progresses, we will keep you up to date on the latest news and upcoming events.

OPEN HOUSE AND BRIDGE AESTHETIC SURVEY:

For those who missed the public In-Person Open House last month, there is now a Virtual Open House section on the project documents page of the project website that has a summary of the In-Person Open House, as well as a PDF of all the boards displayed at the event.

<https://burlingtonwinooskibridge.vtransprojects.vermont.gov/index.php/project-overview/project-documents>

The Virtual Open House is still available for viewing. Use the link below to access it and learn more about the project. The Virtual Open House and the project website are available in 14 languages!

The Bridge Aesthetic Survey is still open and is now available in 11 languages including Arabic, Bosnian, Burmese, English, French, Haitian Creole, Mandarin, Nepali, Somali, Spanish, and Swahili. If you haven't already completed it, we encourage you to take a minute and help influence the look of the new bridge. Use the link below to take the survey.

CONTACT US:

If you would like to contact the project team, please email Kimberli Owens at kiowens@HNTB.com. You may also submit a comment to the project team using the project website.

PROJECT LOCATION:

The Burlington-Winooski Bridge is located between Burlington and Winooski carrying US Routes 2 and 7 over the Winooski River.

This project includes improvements to the intersection south of the bridge in Burlington, involving Riverside Ave, Colchester Ave, Mill St, and Barrett St.

PROJECT SCHEDULE:

Phase I
Preliminary Design: 2023-2026

Phase II
Final Design & Construction: 2027-2030
